EXPERIENCE

The Daily Wire

2023 – Present

Graphic & UI Designer

- Design and iterate UI elements and layouts for landing pages, optimizing usability, responsiveness, and conversions across web and mobile.
- Partner with product, e-commerce, and marketing teams to translate brand needs into user-friendly digital experiences.
- Build and maintain design systems and templates for digital campaigns, improving workflow efficiency and visual consistency.
- Create engaging and responsive email designs, optimizing layouts for accessibility and engagement across devices.
- Develop digital ad, social, and merchandise assets, applying user-centered design principles.
- Collaborate cross-functionally with editorial, post-production, and engineering teams to deliver cohesive, on-brand experiences.

The Palm Locals

2021 – 2023

Graphic Designer & Operations Manager

- Designed and re-designed logos and artwork for clientele's apparel.
- Managed staff and weekly operations, facilitating orders from start to finish.
- Oversaw website and e-commerce management, including redesign and content updates in Squarespace.
- Regulated purchasing and inventory, ensuring efficient operations.
- Maintained consistency in brand image across all product lines.

Christ Fellowship Church

2017 – 2021

Intern / Worship Leader & Assistant

- Collaborated with the Core Team on setlist planning, gear selection, track production, and rostering.
- Led music for weekend services and various worship environments including Kids, Students, Young Adults, and Recovery.
- Managed and created social media content for platforms such as Instagram, Spotify, and Apple.
- Scheduled band and vocal teams to enhance communications and relationships within the organization.

EDUCATION

Palm Beach Atlantic University

Bachelor of Science in Business Administration
